

2012 School Year

Hawaiian Islands Tour

Aloha Fellow Educators,

Last school year young children delighted in our inflatable Pacific Hump-back whales: Harmony and Melody. We performed 110 programs for more than 3,000 young children on five islands with an overwhelmingly positive response.

This year with a new program and great educational materials our tour will be traveling to:

Kauai County: March 27th - April 5th

Maui County: April 9nd - April 13th

and April 23rd - April 27th

Big Island: April 14th - 20th

O'ahu County: September 4th - September 21st

Reservations Can Be Made On Line By E-Mail:
